

The Canadian Academy of Manipulative Physiotherapy (CAMPT) is a professional organization of physiotherapists who have completed post-graduate training in hands-on therapy treatment techniques that meet the International Federation of Manipulative Physical Therapy (IFOMPT) standards. We help anyone with pain or movement problems that impact their ability to do what's important to them. By delivering research-guided physiotherapy care, our patients get better, recover faster and stay healthier so they can be active in the things they love to do.
